## CHAPTER \_\_\_\_\_

An act to amend Section 5056.5 of the Penal Code, relating to corrections.

## LEGISLATIVE COUNSEL'S DIGEST

AB 845, Bass. Corrections: Reentry Advisory Committee.

Existing law requires the Secretary of the Department of Corrections and Rehabilitation to establish a Reentry Advisory Committee, comprised as specified, to advise the secretary on matters related to the successful planning, implementation, and outcomes of all reentry programs and services in the department, with the goal of reducing recidivism. Existing law repeals these provisions on January 1, 2011.

This bill would impose additional requirements on the committee, including that the committee seek and apply for federal funds, develop a comprehensive strategic reentry plan seeking to reduce the recidivism rate, develop a comprehensive resource guide for entities working to address reentry issues, and issue reports, as specified. The bill would expand the membership of the committee. The bill would extend the repeal date on these provisions until January 1, 2016.

*The people of the State of California do enact as follows:*

The committee shall issue advisory reports whenever it deems appropriate, but shall, not less frequently than annually, issue a

The guide shall also detail the availability of private, city, county, city and county, state, and federal resources for former offenders attempting to successfully reintegrate into society. The guide shall be made available to the public in order to maximize the potential for collaboration.

- (g) The Reentry Advisory Committee shall develop the comprehensive strategic reentry plan in consultation with community members and stakeholders, including persons in the fields of public safety, juvenile and adult corrections, housing, health, education, substance abuse, child and family services, victim services, employment, and business, and members of nonprofit organizations working on reentry policy or providing reentry services.
- (h) The Reentry Advisory Committee shall examine ways to pool resources and funding streams to promote lower recidivism rates among returning offenders and to minimize the harmful effects of offender incarceration on the families and communities of offenders by collecting data and developing best practices on offender reentry from demonstration grantees and other organizations.
- (i) The Reentry Advisory Committee shall submit an annual report to the Legislature and the United States Attorney General detailing the progress of grantees towards achieving strategic performance outcomes and describing other activities conducted by grantees to increase the success rates of the reentry population, such as programs that foster effective risk management and treatment programming, offender accountability, and community and victim participation.
- (j) This section shall remain in effect only until January 1, 2016, and as of that date is repealed, unless a later statute, that is enacted before January 1, 2016, deletes or extends that date.
